

WIN A
CASE OF
WINE

CLOSING
DATE
17~09~06

COMPETITION

We are starting up a wine club this Autumn.
However it still remains nameless!

We aim to be a different wine club with local, friendly and personal service.

The club will offer educational wine tastings, socials, newsletters and wines chosen especially for you to suit your taste.

However, we are lacking a name for it.

We are looking for a name for the club, although
we do not want the word “Club” used in the title.

Two suggestions so far have been
“Grape Expectations” and “Plonkers”.

So if you can help us and come up with a jazzy name there could be a case of wine in it for you.

Please complete the form overleaf and return it by Sunday 17th September .
